Article 2: When a punt goes over the goal line (a touchback), dislance of the punt is measured from the line of scrimmage to the 20 -yard line only, since this is the limit of the punt's value to the kicking team.

If a receiver muffs a punt and the ball bounds back foward the kicker's goal, the punt is measured to the point of the muff (the point of ultimate advance), and the receiver is credited with a punt return and with the yards from the point of the muff to the point of recovery, regardless of which team recovers the fumble.
Article 4: Punts blocked are included in "times kicked", and the yardage of a partially blocked kick is included in "yards kicked". If the ball travels toward the kicker's goal, and is recovered by the blockIng (defending) team, the yardage is treated as a punt return by the player who blocked the kick.
