WOLVERINE FACTS OF INTEREST

Two present Wolverines hold Michigan records. Don Moorhead set two total offense marks last season: most plays(380) and most total yards(1886). Tim Killian holds the record for most career field goals(12) besides setting a new single season mark(7) last fall. Tim also tied a Big Ten record with 3 field goals against Minnesota in 1968.

Paul Staroba punted for the first time in his career when the Michigan offense bogged down the first time it had the ball. His first attempt traveled 51 yards.

Dana Goin's 42-yard field goal in the first quarter, which opened the scoring for the 1970 Wolverines, is the longest field goal ever kicked in Michigan history, breaking Doug Bickle's 40-yard, 9-year old record. It was also Goin's first field goal attempt as a Wolverine.

Junior Frank Gusloh's 3rd period interception was ~~his~~ ~~xxxx~~ the first in his career.

Only 3 men have thrown more passes for Michigan than Don Moorhead. With his 24 attempts today Moorhead vaulted from 6th to 4th in career passing attempts. Moorhead is also 6th in both career completions and yards gained passing.

COACHES' COMMENT

ARIZONA:

--only injury - Bob Jacobson, OLG right knee ligament

Coach Bob Weber:

--Interceptions plagued us all afternoon with the last one the turning point. Other than that it was a fine effort. The defense played consistantly well.

--Lots of credit to Michigan defense. We couldn't put our drives together.

--Michigan has a fine team. In top 6 in country.

--I'm sure we can do better.

--Michigan cut off our running game and that made it difficult to pass. Hill was all over the place and the linebackers made it hard to run.

Mich. was great last year because of defense. We hoped for a break late in game but instead gave them to Mich.

--You just have to have everything to beat Mich and we didn't have it.

MICHIGAN: Coach Bo Schemblecker

--Arizona - better team than people thought.

--Blocked passes - They did not rush. They just stood at line and put hands up.

--Don't underestimate the fact that we won -- that's the most important thing.

--We seldom play against as good a placekicker as they have. That kid can really knock the ball. That's why I wanted to get four up because he could have won the game for them.

--Fans booing on punt--I may not be a very good coach, but I'm smarter than they are.

--Returning to active coaching-- I felt like a sophomore playing his first game.

Bill Ransom —

There are 30 or more plays
missing from the 2nd half of the
film — and some of that is a
bit out of context. "Bo" promised
to have that corrected by next week.
