MICHIGAN vs. MICHIGAN STATE at Ann Arbor, October 17, 1970

Wolverine Facts of Interest

Starting today's game, Michigan is ranked 4th in scoring defense, 6th in rushing defense, and 14th in total defense in the latest NCAA Official Statistics. Two individual players are also among the national leaders; Marty Huff (2nd in interceptions) and Paul Staroba (21st in punting).

Special Note: Because of regional television, next week's Game between Michigan and Minnesota will begin at 1:15 p.m.

Michigan's 13 points in the first half is the most they have scored in the first 30 minutes in any game so far this season.

Fritz Seyferth's 3rd quarter touchdown on an 8 yard pass from Don Moorhead was his first in collegiate competition. It was also Moorhead 4th TD pass this season and his career total is now 10.

Michigan State's failure to score against the Michigan defense in the 3rd quarter keeps the Wolverine string going. The Wolverines have not given up a single point this season in the 3rd stanza.

Michigan punted for the first time today with 9:42 left in the game.

Official Attendance: 103,580. This is the largest M-MSU crowd, the 2nd largest crowd at Michigan Stadium, and also the 2nd largest crowd in the history of college football (regular season games only).

Michigan has not scored this many points against MSU since 1947 when they beat the Spartans 55-0.

Bill Triplett's last second TD for MSU was the first second half touchdown scored against Michigan this year. It also broke a string for the Wolverines in which they had not been scored upon in the second half since the first game of the season.

Bill Taylor and Don Moorhead both passed milestones today. With 147 net yards rushing Taylor now has gained over 1200 yards in his career. Don Moorhead, with 24 yards rushing, has passed the 1000 yard mark.
