COACHES QUOTES

ILLINOIS' BOB BLACKMAN

"I've never been with a group of men who've gone through as much adversity in my life. The last 10 hours have just been extraordinary. I never realized how unimportant a football game could be. After learning of the Greg Williams situation, every guy was just sick at heart and early in the game we played that way. But a great and proud group of men came back and held their dignity. The name "Fighting Illini" was never more true than today.

"Personally, I was just very sick. There never was a game I wanted to win more. There was so much enthusiasm, with the bonfire last night with 8-10,000 people and everything. The last three wins would have meant a very respectable record (7-3-1), better than many bowl-bound teams."

"We had a very good chance to win the football game, but got some bad breaks, like the call on out of bounds, and just didn't quite make it."

(NOTE -- Coach Blackman was unable to talk much more, being overcome by emotion)

MICHIGAN'S BO SCHEMBECHLER:

"The Big Ten is quite a conference, isn't it? We figured this would be one of our tightest games. We should have put the game out of reach in the first half. But when you're playing on the road and you let the home team off the hook, this is what can happen. We're happy to get out of here with a win."

"We can't take anything away from Illinois. They played inspired ball. Considering everything that happened to them, they played a heck of a game."

"I thought our defense played very well. The only problem is that we kept stopping ourselves on offense, with dropped passes and fumbles."

"I was really pleased with the way Franklin played. But that was a very slow field. It's a soft turf and he really looked slow."

"In the tight situations, we've been there. That's got to help us in the future. We've got momentum. When you go from 8-0 to 9-0 that's momentum. Now we want to go to 10-0."
