POST-GAME COACHES QUOTES

Illinois Head Coach Lou Tepper:

On his team's performance:

"We have a very courageous team, and we showed it today. Everybody had written us off, but I've got news for ESPN, we're 3-1. You shouldn't tell our players that they can't compete against anyone because they can."

On Illinois' offense:

"Actually, we told our offense before the game, that we needed 24 points to win. The offense was very physical, they got after Michigan. (Ty) Douthard ran the ball awfully well, he had as big an impact on the game as anyone. Johnny (Johnson) was really in control of the game, he has strong leadership and he can make something happen when he scrambles with the ball."

On the game-winning touchdown:

"Maybe you guys (the media) can tell me what happened because I didn't see it. When Johnny (Johnson) threw the ball I didn't see any receivers in the area, I thought the ball was going out of the endzone."

On stopping Michigan's running game:

"We felt we were strong inside and they wouldn't be able to run inside on us. I was a little disappointed with how Michigan scored on big plays. I thought we'd have more discipline than that. But overall I'm very proud of what we did defensively against Michigan."

On Michigan:

"You have to give credit to Michigan because they fought just as hard as we did. The fumble (in the fourth quarter) cost them dearly. I thought it was going to be like last year when we got close but didn't win the game. It's great to end that losing streak against them."

Michigan Head Coach Gary Moeller:

On Illinois:

"There's no question, Illinois played very well. They're a defensive team. They have a good scramble-around quarterback in (Johnny) Johnson."

On Michigan's play:

"We did not block at all, I was very disappointed with that. If you don't block, you can't be a good offensive team."

On game in general:

"It's one of the most disappointing losses we've had ... At the end, we failed on one third-and-short, and then picked up the first down the second time. It's so sad we didn't hang on to the ball. You have to give them credit."

On the team in general:

"We have to get better. We'll work, but we have a lot to do ... I'm mad, really mad, the team is mad. But I had some great efforts out there."

On the game-winning touchdown:

"When you have a quarterback like that (Johnny Johnson) you (the offense) have a chance because he knows he has to throw. But we (Michigan) never should have been in that position. It was a good individual play by him (Johnson)."

On the offense:

"We didn't move the ball like we should have, but we did throw with some success."

Michigan quarterback Todd Collins:

"Our game plan was good, we mixed it up a lot. In the Big Ten you like to establish the running game. We ran the ball a lot in the fourth quarter, we tried to control the ball, and we did except for the fumble."

On the losses:

"Notre Dame, Michigan State and Illinois. We haven't lost like that around here in a long time."

On the rest of the season:

"We obviously have a goal to win the rest of the games. We have to make something out of all this, we're going to try and salvage the season. We don't know what will happen with the Rose Bowl."
