END OF THE GAME: SYRACUSE 38 MICHIGAN 28

**1998 University of Michigan Football  
Syracuse at Michigan (Sept. 12, 1998)  
Michigan Post-Game Notes**

**Michigan-Syracuse Game Sets NCAA Attendance Record**

Today's announced crowd of 111,012 fans for the Michigan-Syracuse game set the NCAA single-game attendance record. The mark breaks the previous Michigan Stadium record of 106,982 set last year vs. Ohio State (Nov. 22) and is the 143rd consecutive game in which the Wolverines have drawn in excess of 100,000 fans to the "Big House". The mark surpassed the previous record of 107,608 fans set on Sept. 21, 1996 at Neyland Stadium, a 35-29 victory by Florida over host Tennessee.

**80 Year Reunion**

Today's match-up between Michigan and Syracuse marked the first time in over 80 years that the two teams have played. The last contest between the two programs was held in Ann Arbor on November 16, 1918, when U-M beat Syracuse 16-0 at Ferry Field. The 38-28 Syracuse win evens the series at 5-5-1. Michigan plays at Syracuse next season.

**Home Opener String Broken**

Michigan's string of consecutive home openers without a loss was broken at eight games. Prior to today's loss to Syracuse, Michigan's last loss in a home opener was in 1989, when U-M lost to Notre Dame, 24-19.

**Back-to-Back Losses**

Michigan's loss to Syracuse marks the first time Michigan have suffered back-to-back losses in a season since 1996, when Michigan lost at Purdue (9-3) a week before losing to Penn State at Michigan Stadium (29-17). The last time Michigan lost two consecutive games to ranked teams was in 1984, when U-M lost to No. 11 Ohio State (Nov. 17, 21-6) and No. 1 Brigham Young in the Holiday Bowl (Dec. 21, 24-17). The last time that Michigan started out the season 0-2 was in 1988, when Michigan dropped its first two games to Notre Dame (19-17) and Miami (31-30). In 1988, the Wolverines finished 9-2-1 and beat USC in the Rose Bowl.

**Cross Comes of Age**

Freshman tailback **Walter Cross** (Fort Washington, MD) provided Michigan with some offensive fireworks in the fourth quarter. Cross rushed ten times for 104 yards and two touchdowns while making his career debut. Cross was named **ABC's Player of the Game**. He is the first true freshman to rush for 100 yards in the second game of the season since Anthony Thomas versus Baylor last season (September 20, 1997).

**Here Comes Mr. Jordan**

Redshirt freshman linebacker Anthony Jordan (Jersey City, New Jersey) made his first career start and led the Wolverines with 13 tackles, 12 solo, and one for a loss (for 1 yard). Jordan is fourth on the team in total tackles with 15.

**First Career Start Part Two**

Redshirt freshman linebacker **Eric Brackins** (Pigeon Ford, TN) also made his first start and collected three tackles all solo.

**Jones Collects 100th Career Tackle**

Junior inside linebacker **Dhani Jones** (Potomac, MD) made his 11th career start. Against Syracuse, he collected seven tackles (4 solo). On his second tackle of the game, Jones registered his 100th tackle as a Wolverine.

**1998 University of Michigan Football  
Michigan Post-Game Quotes**

**Head Coach Lloyd Carr**

**On the game ...**

"Syracuse did an outstanding job and beat us in every phase of the game. They are a good team, McNabb is as good a quarterback as we have seen."

**On Syracuse quarterback Donovan McNabb ...**

"McNabb has a great arm. An NFL scout said he is a number one draft choice. He is impossible to sack with a four man rush."

"It is hard to blitz an option quarterback and if you don't blitz, he'll stand back there all day. I do not know anybody that can stop that offense."

**On the upcoming weeks ...**

"We have two weeks to get ready for the Big Ten season. Our team has good kids and we have to hang together and we have to fight back."

"I expected us to be a better defensive team. We are not strong up front. We have faced two option teams and they have presented some problems."

**On the offensive line ...**

"I think we are out of sync. We have too many third and long situations, we want to be third and three or four. We are not running and getting five or six yards on our first carry. We must establish a run threat."

**Junior Quarterback Tom Brady**

"We made mistakes. When you turn the ball over, you're not going to win the game."

**About coming in and out of the game ...**

"If you're mentally strong enough, coming in and out is not a problem. I'll bounce back. I've got a lot of pride at stake. Don't worry about me, I'll be back."

"I'm sure the fans are disappointed. In the lockerroom, there are 120 guys who believe we can win. Everyone's disappointed. The older guys are wondering why we're not winning. The younger guys are learning. We believe in ourselves and we'll stick together."

**On third down inefficiency ...**

"Converting on third down -- we didn't do that today."

**Freshman Quarterback Drew Henson**

"About my role, I try to make some plays when I'm in there. You can have all the playing time you want, but when the team loses, it doesn't mean anything."

"Our problem is that you have to be able to run to be successful."

"I was comfortable out there but it was too little too late."

"Our goal now is to get that first win. This team won't separate. We'll stay together and get through this."

**1998 University of Michigan Football  
Syracuse at Michigan (Sept. 12, 1998)  
Syracuse Post-Game Quotes**

**Syracuse Head Coach Paul Pasqualoni**

"Because of the storm, we were way behind in practice." (Severe storms knocked out power all over campus, including players' homes, practice facilities, and even the Carrier Dome. Practice was limited to makeshift facilities using generators.)

"Through the unsportsmanlike penalty, we played as well as we can."

"Donovan McNabb has played two outstanding games. His timing and accuracy is great."

"I thought it was important to get field position on the first drive."

"We had an unbelievable defense today. The coaches put together a great game plan."

"If we go game-by-game and play well, come November, he (McNabb) will be a (Heisman) candidate."

"Getting over Tennessee was tough. It's great to get back on track."

**Syracuse Assistant Coach Kevin Rogers**

"We persevered to get where we are today. After the loss last week and then the storms at the beginning of the week."

"This gives us credibility."

"We've got great fans. I hope they enjoyed it."

"Everything we do on offense to change formations has to be countered by them. We tried to mix it up as much as possible without confusing ourselves."

**Jason Poles**

"We were surprised they didn't come out with more emotion and try to fight back more. We knew we could play with them. We knew we were a good team, but we expected it to be a bit closer."

**Phil Nash**

"We wanted to take the crowd out of it. With 112,000 people in the stands it is like a 12th man. I think that was the key from the start. We wanted to make sure that they didn't become a factor."

"We came out early and played hard. We wanted to make them think it is going to be a long season. We are going to go out every week and gain some respect and by the end of the season I think we will be where we want to be."
