Michigan Quotes

Tom Brady:

On the 4th quarter winning drive:

"Ohio State played extremely hard. I knew we were in for a dogfight. The offensive line gave me time to stand up in the pocket and deliver the ball."

On their attitude while trailing during the game:

"There's a lot of belief in this locker room. We believe in one another and feel we can accomplish a lot. You can say the pressure is too much or tell yourself no more mistakes and just go out there and play."

On the weak passing effort:

"I was just barely missing, maybe pushing it a little too much and overthrowing by a step."

On the team effort:

"I'm just proud of the guys in the locker room. We came together and played a great game. You have to give credit to Ohio State, they never gave in."

On Ohio State's defense on winning touchdown:

"I saw they were coming with a blitz, and I saw Marquise open so I tried not to look at him until the right time and then threw it to him."

Ian Gold:

On his interception:

"I dropped back and Coach Herman schooled me on that all year. I looked up, saw the ball and caught it. My teammates blocked for me, it felt kind of old school, like high school."

On Ohio State's Offense

"They ran some plays we weren't ready for and they used some schemes that we hadn't seen on film. They caught us off guard a little bit but you expect Ohio State to do that, that's the kind of team they are."

On playing his last game:

"What better way to end my senior season. I'm so happy and proud for my teammates. I couldn't imagine going out my senior season with a loss against Ohio State in the big house."

Head Coach Lloyd Carr:

On the game:

"My hats off to an Ohio State team that played very hard. It was a typical Michigan-Ohio State game. Obviously there were a lot of mistakes. If you were down on the field, you know how hard everyone played on both teams. I am very happy for this Michigan team, particularly for our seniors. I am very happy they found a way to win their last game of the season. They have tremendous leadership. A lot of these kids played important roles on the 1997 team. To be able to come in to their senior season with the leadership, toughness and poise to get through the tough spots when you consider this is the toughest schedule in the country, you know why I am proud of this team. When you finish a season playing Penn State and Ohio State back to back and you find a way to win, you know how hard the guys fought."

On the team:

"I am tired of this team. I am exhausted and I didn't even do anything on the field. This team never quit. Look at the schedule. Win or lose this team laid it out there. They were able to hang together when things got difficult."

On Quarterback Tom Brady's leadership:

"I'll tell you this story. When we went into Syracuse to play, in the second half I decided to go with Drew Henson. Finally late in the game we won. After the game the captains say a few words and lead the team in 'Hail to the Victors.' There was not a tougher time for him to not have played and to make himself stand up and tell his teammates how great they played without him. He's a special guy."

Ohio State Head Coach John Cooper

On the role of this year's seniors... I am very proud of my senior class. They are a group of kids who will be missed. Today, they played hard and put a lot of effort into this game. I am very pleased with how well they have done during their four years.

On today's game... It was the best we have ran all year. It was the turnovers and the penalties that really did us in. We didn't give the effort that was needed to win against a good team. Michigan did a good job with outside pressure and they forced us to run. At critical times, we held the ball too long. We didn't get rid of it when we should. But I can say that we lost a good game today.

On Steve Bellisari's job today... I think that he played good. He did a good job when he needed to. He's still growing, but he will mature into a good quarterback. Michigan was quite on the defense to him, so we were forced to run the ball more.

Linebacker Na'il Diggs

On the defensive performance... We did everything we could to stop Michigan. Most of the game we were successful. We made too many crucial mistakes and that is what cost us.

On the tough loss... It's mindboggling, I can't say what went wrong. We went into halftime with the lead. We knew what they were going to run and felt confident with the situation.

Defensive back Ahmed Plummer

On the game... It's a big time game, even though it didn't turn out the way we would have liked. I'm proud of my teammates. They hung in there and gave it their best shot.

On the difference in the game... If you look at the total offense, we had more yards than they did. They had a couple of big plays that went their way and gave them momentum to put points on the board.

Running back Michael Wiley

On the running game... It was frustrating. They made some plays against us. You win some you lose some, but the effort on the team was great today.

On suffering a tough defeat... Of course we would like to win, but the underclassmen came out and put it on the line today. That's all we can ask from them. Our defense played well, but the turnovers hurt us. If we didn't have the turnovers, I think we would have won.

Michigan Game Notes and Highlights

Record-Setting Crowd

The crowd of 111,575 fans to watch Michigan play Ohio State is the largest in school history, breaking the previous Michigan Stadium and NCAA mark of 111,523 set in this season's opener with Notre Dame (Sept. 4). A total of 666,049 fans attended the six Michigan home games, for an NCAA record 111,008 average attendance.

Michigan Breaks 1,000,000 Fans for Season

With today's announced crowd of 111,575 fans against Ohio State, the University of Michigan has surpassed 1,000,000 fans for the third straight season and the 24th time in the last 25 years. Michigan finished the six-game home schedule with 666,049 fans with the five away games drawing 343,537 fans for an 11 game total of 1,009,586 fans.

No. 50

With the victory, Michigan has a 50-12-1 record at Michigan Stadium during the 1990s. Further, at 9-2, the Wolverines posted their second-best regular-season record under Lloyd Carr.

ABC Players of the Game

Michigan's **Anthony Thomas** and Ohio State's Michael Wiley were named ABC's *Players of the Game*. Thomas carried the ball 31 times for 111 yards with one touchdown and caught five passes for 51 yards. Wiley ran the ball 22 times for 92 yards, caught one pass for eight yards and threw a pass for 21 yards.

Turnover=Pts.

Michigan converted three second half turnovers, two interceptions and a fumble, into 17 points. **DeWayne Patmon** (*San Diego, Calif./Patrick Henry HS*) hauled in Michigan's first pick of the game early in the third quarter, his team-leading third of the season and the eighth of his career. Patmon returned the interception 32 yards to the Ohio State 23-yard line, setting up a 42-yard **Hayden Epstein** (*Cardiff, Calif./Torrey Pines HS*) field goal. Late in the third quarter, **Ian Gold** (*Belleville, Mich./Belleville HS*) recorded his second career INT, which he returned to the OSU eight-yard line. Michigan scored a touchdown on the next play from scrimmage to tie the game 17-17. The Wolverines took the lead after **James Whitley** (*Norfolk, Va./Norview HS*) forced a fumble recovered by **Cato June** (*Washington, D.C./Anacostia HS*) at the Michigan 23-yard line. After the fumble, Michigan marched 77 yards in 10 plays for the game-winning touchdown.

First Quarter Blues

Michigan has not scored a first quarter point against Ohio State since 1995, a span of four quarters. During the stretch, Ohio State has posted four scores, three touchdowns and a field goal, for a 24-0 edge in opening quarter scoring. The Wolverines trailed 3-0 after the first quarter in 1996, before coming back to win 13-9. In 1997, the game was scoreless after one period in an eventual 20-14 Michigan victory. Last season the Buckeyes grabbed a 14-0 first quarter advantage in a 31-16 OSU win. Ohio State had a 7-0 lead after the first quarter this season.

No. 60

Senior fullback **Aaron Shea** (*Ottawa, Ill./Ottawa HS*) recorded his 60th career reception late in the first quarter, a one-yard catch on second down. The catch was Shea's 30th of the season as he has recorded at least one reception in every game this season and in 16 consecutive games dating back to last season. He ended the game with two receptions for seven yards.

400th Connection

Senior quarterback **Tom Brady** (*San Mateo, Calif./Serra HS*) recorded his 400th career reception with a seven-yard pass to **David Terrell** (*Richmond, Va./Huguenot HS*) on Michigan's first touchdown drive in the second quarter. Brady connected on his 30th career touchdown pass with an eight-yard throw to **Shawn Thompson** late in the third quarter. He would throw for his 31st TD pass on the game-winning drive in the fourth quarter. Brady ended the game 17-of-27 for 150 passing yards and the two touchdowns. Brady threw a touchdown pass in all 16 of his Big Ten starts.

A.T.=TD

Junior tailback **Anthony Thomas** (*Winnfield, La./Winnfield HS*) capped Michigan's first touchdown drive with a one-yard dive up the middle. The scamper was Thomas' 16th score of the season and 35th of his career, both the second-highest totals in school history. Thomas, who has rushed for a TD in seven consecutive games, needs three more scores to tie **Ron Johnson**'s single-season record of 19 set in 1968 and 12 more to tie the career record of 47 established by **Tyrone Wheatley** (1991-94). Thomas ended the game with 31 carries for 111 yards, his fifth consecutive 100-yard game and his seventh this season. He also led the team with five receptions and 51 receiving yards.

Thompson's First Score

Red-shirt freshman **Shawn Thompson** (*Saginaw, Mich./Nouvel HS*) caught his first career touchdown pass, an eight-yard catch and run with 37 seconds left in the third quarter, tying the game 17-17. Thompson ended the game with three receptions for 37 yards.
