resident \$4,800; married non-resident \$6,300. Students 24 years or older should estimate an additional \$200 per academic year. Married students with children generally require an additional \$800 for each of the first two and \$500 for the third and beyond.

The major components of these costs are tuition, which is discussed in detail later in this section, and housing which is available in a wide range of types and costs, some including meal service. Double occupancy rooms for unmarried students in university dormitories cost \$1,298 including full food service. University-owned apartments for married students range from \$114 per month for a two room furnished efficiency to \$200 for a three bedroom furnished unit. Privately owned apartments and rooms often command somewhat higher rentals.

Books, supplies, and incidental expenses included in the typical costs above are estimated at \$720 for the academic year.

University Fees

Tuition fees for the 1973-74 academic year are shown in the following table. All fees are subject to change at any time by the Regents of the University.

	<i>Michigan Residents</i>	<i>Non- Residents</i>
<i>Regular Term</i>		
Enrollment fee	\$ 50	\$ 150
Additional fee for each hour elected	40	125
Maximum fee (eight hours or more)	452	1,400
	<i>Michigan Residents</i>	<i>Non- Residents</i>
<i>Divided Term (spring or summer half term)</i>		
Enrollment fee	\$ 25	\$ 75
Additional fee for each hour elected	35	125
Maximum fee (four hours or more)	226	700

Registration after the close of the normal registration period requires the payment of a \$15 fee.

Fee Adjustments and Refunds. A student who changes his program in the first two weeks of classes will receive a full refund of the fees paid and will be assessed the full fee appropriate to the new elections. If changes are made thereafter, the higher of the two fees will be assessed. The following regulations govern fee refunds:

1) Students withdrawing after registration and before the end of the first two weeks of classes shall pay a disenrollment fee of \$50 but will be refunded any other part of the fee which has been paid.

2) Students withdrawing during the third week of classes in the divided term or in the third, fourth, fifth and sixth weeks of classes in a full term shall pay a disenrollment fee of \$50 or shall forfeit 50 per cent of the assessed fee, whichever is larger.

3) Students withdrawing subsequent to the third week of classes in the divided term, and to the sixth week of classes in the full term, shall pay the assessed term fee in full.

- 4) The effective date of refund is the date the withdrawal notice is received in the Registrar's Office.
- 5) Any refund due the student will be mailed to his home address.

Payment of Tuition Fees. For the convenience of students, the Cashier's Office will accept money orders or bank drafts in payment of University fees. Personal checks will not be cashed but will be accepted for the exact amount of fees. All fees and fee regulations imposed by the University are subject to change at any time by the Regents. Fees are payable before registration, at registration, or in installments during the term on dates that will be specified in advance.

Proper observance of financial obligations is deemed an essential of good conduct and students who are guilty of laxness in this regard to a degree incompatible with the general standards of conduct shall be liable to disciplinary action by the proper University authorities. Students shall pay all accounts due the University in accordance with the regulations set forth for such payments by the Vice-President and Chief Financial Officer.

Residency Regulations. The following is the full text of the regulations governing residency for tuition assessment purposes:

1. Since normally a student comes to The University of Michigan for the primary or sole purpose of attending the University rather than to establish a domicile in Michigan, one who enrolls in the University as a non-resident shall continue to be so classified throughout his attendance as a student, unless and until he demonstrates that his previous domicile has been abandoned and a Michigan domicile established.

2. No student shall be eligible for reclassification as a resident unless he shall be domiciled in Michigan and has resided in Michigan continuously for not less than one year immediately preceding the first day of classes of the term for which reclassification is sought.

3. For purposes of these regulations, a resident student is defined as a student domiciled in the State of Michigan. A non-resident student is defined as one whose domicile is elsewhere. A student shall not be considered domiciled in Michigan unless he is in continuous physical residence in this state and intends to make Michigan his permanent home not only while in attendance at the University but indefinitely thereafter as well, and has no domicile or intent to be domiciled elsewhere.

4. The following facts and circumstances, although not necessarily conclusive, have probative value in support of a claim for residence classification:

- a. Continuous presence in Michigan during periods when not enrolled as a student.
- b. Reliance upon Michigan sources for financial support.
- c. Domicile in Michigan of family, guardian or other relatives or persons legally responsible for the student.
- d. Former domicile in the state and maintenance of significant connections therein while absent.
- e. Ownership of a home in Michigan.
- f. Admission to a licensed practicing profession in Michigan.
- g. Long term military commitments in Michigan.
- h. Commitments to further education in Michigan indicating an intent to stay here permanently.
- i. Acceptance of an offer of permanent employment in Michigan.

COLLEGE OF ENGINEERING
1974-75

Volume 3, Number 22, March 13, 1974

Many of the scholarship funds are made available through the generosity of alumni and other friends of the College. There is no direct obligation to repay a scholarship but as recipients recognize their moral obligation to return to the College scholarship fund according to their several abilities, other worthy students will likewise benefit.

A number of qualified seniors are employed each term as student assistants for assigned work in several departments.

Graduate Students. Graduate students should apply to the departmental adviser for fellowships, to the Office of Financial Aid for long-term loans, or to the Engineering Scholarship Office for a Ford Foundation short-term loan.

Veterans and Social Security Benefits

Educational benefits are available to students who qualify under the several Public Laws providing benefits for veterans (or their children) and to orphans or children of a disabled parent who qualify under the Social Security Law. Questions may be referred to Assistant Dean's Office or to Director of Student Certification, LSA Building.

Selective Service Regulations

In general, each student is responsible for maintaining up-to-date information with his local Selective Service Board. The University will supplement this information on request of the student, and will notify the student's Board when status of enrollment changes. Questions may be referred to Assistant Dean's Office, or to Director of Student Certification, LSA Building.

Fee Regulations, Expenses, Indebtedness

A nonrefundable fee of \$15 will be required of each applicant for admission to the University.

The fees for one full term for the 1973-74 academic year were as follows:

Non-Michigan U.S. citizen (2 terms, academic year)	\$4,500
Foreign (3 terms, calendar year)	\$7,500

Fees are subject to change at any time by the Board of Regents of the University.

Detailed information relating to fees, deposits, payments and refunds may be obtained in the Assistant Dean's Office.

Withdrawal. A student withdrawing after registration shall pay a disenrollment fee according to the rules in effect at the time of withdrawal as published in the Time Schedule for each term.

Indebtedness to the University. Proper observance of financial obligation is deemed an essential of good conduct, and students who are guilty of laxness in this regard to a degree incompatible with the general standards of conduct shall be liable to disciplinary action by proper University authorities. Students shall pay all accounts due the University in accordance with regulations set forth for such payments by the Vice-President in charge of Business and Finance.

When a student's account shows indebtedness, academic credits are withheld, no transcript of academic record or diploma will be issued, nor will future registration be permitted.

FEES, EXPENSES, AND FINANCIAL AID

Fees and Expenses

To cover expenses, students are urged to provide themselves with money orders or bank drafts. For the convenience of students, the Cashier's Office will accept money orders and bank drafts in payment of University fees. Personal checks will not be *cash*ed, but will be accepted for the exact amount of fees. All fees and fee regulations are subject to change at any time by the Regents of the University.

Regular Term Fees. For Michigan residents the fee currently is \$620 for each term; for nonresidents, \$1,440 for each term. These fees entitle the student to the privileges of the Michigan Union and Michigan League. All fees are payable in accordance with regulations established by the Vice-President and Chief Financial Officer providing only that said regulations may not defer payment of these fees beyond the end of the term in which they are assessed. Fees are payable prior to registration, at registration, or in installments during the term. The number and dates of the installments will be specified in advance for each term.

Nine hours or fewer is considered a reduced program in the Law School, for which there is a special schedule of reduced fees. A student who elects a reduced program will pay an enrollment fee of \$50 and an additional \$60 for each hour elected, for Michigan residents. Non-residents pay an enrollment fee of \$150 and an additional \$130 for each hour elected.

Students who withdraw after registering must pay a disenrollment fee of \$50.

Summer Term Fees. The fees for the summer term in the Law School currently are as follows:

	<i>Resident</i>		<i>Non-Resident</i>	
	<i>Full Program</i>	<i>Reduced Program*</i>	<i>Full Program</i>	
11 Weeks	\$420	\$280	\$960	\$640
8 Weeks	310	210	720	480
5½ Weeks	210	140	480	320
3 Weeks	125	125	290	290

* Reduced program fees would be applicable only to students who enroll in a:

- 11 -week session for fewer than 5 hours
- 8 -week session for fewer than 4 hours
- 5½-week session for fewer than 3 hours

Law School Fee. In addition to the above fees, each student must pay a Law School fee of \$15 each term. This fee covers the preparation and issuance of special and supplemental materials in the various courses and seminars throughout the term; it also includes membership in the Lawyers Club.

Foreign Students. Foreign students who are not provided with Health-Hospitalization insurance by their sponsors are required to purchase Student Group Health Insurance. The cost of this coverage (approximately \$43 per student)

must be paid at time of registration. This coverage extends for a full twelve months.

Insurance to cover a student's dependents and to cover maternity costs may be purchased at an extra cost. The basic policy covers just the individual student.

Indebtedness to the University. Proper observance of financial obligation is deemed an essential of good conduct, and students who are guilty of laxness in this regard to a degree incompatible with the general standards of conduct shall be liable to disciplinary action by proper University authorities. Students shall pay all accounts due the University in accordance with regulations set forth for such payments by the Vice-President and Chief Financial Officer.

Books. Casebooks for classwork cost on the average about \$150 to \$200 a year.

Financial Aid

In the First Year

The Law School will utilize the services of the Graduate and Professional School Financial Aid Service, Box 944, Princeton, New Jersey, in analyzing requests for assistance. GAPS FAS has prepared a form eliciting information from the applicant's parents and the applicant that will be used by a number of law and graduate schools. Copies of the form can be obtained from the Admissions Office or by mail from the service directly. Applications should be at the Law School by March 1.

Scholarships are awarded to members of the first-year class who demonstrate a need for financial assistance and the probability that they will be superior scholars. Because of the rapid rise in the credentials presented by students gaining admission in recent years, need has become the more important criterion. The amount of money available is limited, although large, and not every deserving applicant can be helped.

Most of the scholarships awarded by the Law School are in the form of a grant for one half of the total, with the other half being a loan. The loan portion of the award is evidenced by a note, at moderate interest, with payments coming due one year after the expected date of graduation. The School expects that all aid recipients will recognize that continuation of the aid program depends upon their repayment over the years of the assistance they were given, whether loan or grant.

Every scholarship applicant should consider, among other outside sources, borrowing through a state or federally supported loan program. Details are usually available from the state agency in charge of the program and from local participating banks. The Financial Aids Office can supply leads to other sources as well.

Applications for emergency assistance may be submitted at any time after the student has enrolled (see below).

The John A. McCarthy Foundation Fund for California residents provides a limited number of full-tuition grants for Californians and members of disadvantaged minority groups. The usual standards for scholarships apply. If the student maintains a satisfactory record and remains needy, the McCarthy scholarship will be continued for the next two years.

Student Fellows in Medicine

Students regularly enrolled in other medical schools and other students under special circumstances who arrange for special clerkships or elective opportunities at the University of Michigan Medical School must register as Student Fellows in Medicine. The fee for all such students is \$50 per term. Students so registered may utilize appropriate academic and clinical facilities including the library and the Health Service. Contact should be made with the Registrar of the Medical School after the student has been accepted for the opportunity by a medical school department. Information on housing facilities may be obtained from Office of University Housing, 3011 Student Activities Building, The University of Michigan, Ann Arbor, Michigan 48104.

MATRICULATION

Orientation

The first year of Medical School at Michigan begins during the last week of August. New students entering the first-year class will be sent information during the spring and summer prior to their enrollment. This information will list the dates for registration and the special orientation program, both of which take place at the end of the week preceding the first day of classes. The orientation program consists of presentations and tours to acquaint the students with the program and facilities of the School. All entering students are expected to attend Orientation. Qualifying examinations for some students wishing to apply for Advanced Placement in first-year courses will be given during the two-day period.

Registration

Registration in the Medical School. All students are required to register formally once each year. For first-year students, this includes chest X-ray examinations and the taking of class pictures.

Concurrent Registration in Two Schools. A student who desires to be registered concurrently in two schools or to pursue irregular course work designed to permit candidacy for an advanced degree in addition to the M.D. must obtain permission of the Dean of the Medical School. Such double registration does not permit the student double credit for any course or program of study.

*Fees and Expenses**

The fee for residents of the state of Michigan is \$1,600 per academic year. For nonresidents of the state of Michigan, the fee is \$3,200 per academic year.

* The fees and charges imposed by the University, the conditions for admission, and the requirements for graduation are subject to change by the Regents without notice.

One half the fee, \$800 for residents and \$1,600 for nonresidents, is payable at the beginning of the University's fall term and the remaining half at the beginning of the winter term. Fees may also be paid in installments during each term on dates which will be specified by the University.

As mentioned in the statement of admission procedure, a \$50 deposit is required at the time of acceptance for admission to the School. Forty-five dollars of this deposit will be applied to the tuition for the term in which the student has been admitted and \$5 to the University Bookstore. The bookstore fee is refundable following graduation or termination of registration.

Laboratory Fees. A small breakage fee is required in some of the laboratory courses for the first two years.

Microscopes. Microscopes are furnished for use in the laboratories of the basic medical sciences. Students may wish to rent microscopes in the second year for home work.

Health Insurance. Foreign students who are not provided with health-hospital insurance by their sponsors are required to purchase Student Group Health Insurance. The cost of this insurance coverage (approximately \$45) must be paid at the time of registration each year. This insurance is open to all students (see page 12).

Books and Supplies. Basic texts and instructional materials will be specified by the respective departments for purchase by each student; approximately \$500 for freshmen and \$400 for the second year should be planned for this purpose.

Living Expenses. The cost of meals and lodging will vary in accordance with the type of accommodation. For the unmarried student, living expenses for nine months during each of the first and second years average approximately \$3,000. More specific information concerning housing and the cost of living may be obtained from the Housing Information Office, 1011 Student Activities Building, The University of Michigan, Ann Arbor, Michigan 48104.

Reduced Program Fees. A student whose curriculum is fewer than fourteen hours per University term will pay an enrollment fee each term of \$50 (\$150 for nonresidents) and \$55 for each credit hour (\$105 for nonresidents).*

Late Registration Fee. A late registration fee of \$15 will be assessed students who register after the end of the scheduled registration period.

Hold Credits. Students who owe money to the University will not be permitted to register until such debt is paid and a hold credit release obtained.
